

Opulent Travel

The honeymoon collection

Time to celebrate, explore and enjoy being together.

A few moments from our clients’ travels

Maldives

A swim before breakfast, snorkeling over a reef and dinner with your feet in the sand. The Maldives can be wonderfully simple, but the island makes a difference. Choose a beach villa tucked among palms or an overwater stay, with the food, reef and activities you’ll enjoy. We’ll help you find the right balance of privacy, things to do and time to do very little.

Southern Africa

Botswana’s Okavango waterways, Namibia’s dunes and desert lodges, or Zimbabwe’s wildlife and Victoria Falls: each offers a different honeymoon. Glide through the Delta by mokoro where conditions allow, watch sunrise at Sossusvlei or spend time beside the Zambezi. Choose one country or a thoughtful combination. We’ll explain the differences and plan the camps, activities and journeys that suit you.

New Zealand & Fiji

Combine New Zealand’s lakes, mountain scenery and vineyard lunches with warm-water island days in Fiji. Explore Queenstown and Wānaka, cruise on Milford Sound or spend time on coastal walks, staying in beautiful lodges along the way. Then slow down in Fiji with snorkeling, boat trips and long afternoons by the beach. We’ll choose the route, island and connections carefully, so the exploring and relaxing both get the time they deserve.

Thailand

Discover Bangkok through its temples, canals and street food, or spend time around Chiang Mai with local guides, markets and a cooking experience. Then settle into a beautiful island stay, perhaps a private-pool villa on Koh Yao Noi or Koh Samui. Add boat trips, snorkeling, spa time and long lunches by the water. We’ll choose the coast for your travel month and find the right balance of exploring and relaxing.

East Africa

Watch elephants cross the plains, look for lions and cheetahs, and pause as giraffes move through the evening light. Choose Kenya’s Maasai Mara and conservancies or Tanzania’s Serengeti, Tarangire and Ngorongoro Crater, with camps selected for your dates. A dawn hot-air balloon flight offers a different view of the landscape, followed by breakfast in the bush. Add drinks at sunset and beach time in Zanzibar or on the Kenyan coast. We’ll plan the safari around you both.

South Africa

Pair a Sabi Sand safari, with early and late game drives alongside a guide and tracker, with time in Cape Town. Take the cableway up Table Mountain, visit the penguins at Boulders Beach or follow Chapman’s Peak Drive along the coast. The food is another highlight: Cape Malay flavors, fresh seafood, seasonal produce and inventive chefs drawing on the city’s many cultures. Add vineyard lunches around Franschhoek. We’ll choose beautiful lodges and small hotels, with time to enjoy them between adventures.

Costa Rica

Begin with rainforest walks, wildlife and hot springs near Arenal, or explore the wilder Osa Peninsula with a local guide. Then make time for a lovely Pacific beach stay: swimming, a sunset boat trip, spa time or simply a few days beside the pool. Consider Guanacaste’s coast or the Nicoya Peninsula, with beautiful hotels and relaxed dinners by the water. We’ll help you balance the adventures with proper beach relaxation, choosing the setting and season carefully.

Indonesia

Bali’s beauty is in its rice terraces, temple courtyards and green valleys, as well as the coast. Stay in a beautiful villa around Ubud, explore with a local guide and enjoy time by your pool. Then consider another island: the Gilis for snorkeling and a slower beach stay, or a boat journey around Komodo’s dramatic hills and sheltered bays. There are quieter corners worth seeking out. We’ll help you choose the islands, boat and stays for your honeymoon.

Tell us what you both enjoy, and we will help you plan something special.
